CHARITABLE INITIATIVES

Newport Polo prioritizes involvement in the community. Last year alone, our annual charitable efforts contributed nearly \$200,000 to dozens of local civic & non-profit organizations, surpassing more than \$2 million raised since 1992.

Proceeds from the evening, including Live & Silent Auctions, will benefit Visiting Nurse Home & Hospice's Maternal Child Health Program in its worthy mission to provide children and their families with high quality, skilled home healthcare from experienced pediatric nurses at this stage of a child's life to prevent more complicated health and developmental issues.

It is an honor to collaborate with the Visiting Nurses Home & Hospice in supporting its Maternal Child Health Program, and we are grateful to receive support from BD as presenting sponsor, Redfin Premier as Entertainment Sponsor, Brenton Hotel as the Official Gala Hotel and Tito's Handmade Vodka helping make this year's event the best it can be, while achieving the most important thing we can do as a society - invest in our youth.
